“Transforming Ideas Into Captivating Visuals”

ABOUT ME

MY STORY

Since Childhood , I have enjoyed converting the videos I shoot into a cinematic. Over the time this hobby of Vieo Editing grew into a passion and I decided to turn it into a was to earn a living.

My backround from Diagnostic Radiography, I did my diploma in that but my passion lies in this field like: Video Editing, Graphic Designing and more. and Yes , I aslo really really love travelling.

VIDEOS TYPE THAT I EDIT

I can Edit all types of Videos including Filmmaking, cenmatic styles and more.
